TEXAS STATE GENEALOGICAL SOCIETY

Fort Worth, Texas 76109

The Texas State Genealogical Society, a non-profit educational corporation of the State of Texas, was founded November 28, 1960, in Fort Worth, Texas, by Mrs. Edna Perry Deckler. Its purposes are to enrich the wealth of genealogical and historical research material in Texas and to make it more readily available to all who seek their family and local history; to help in the organization of genealogical societies in areas where none exist; to sponsor schools and institutes in the State of Texas for the scientific study of genealogical research; to publish periodically on a non-profit basis a magazine or other media pursuant to the purposes of the Society; and to acquire and deposit in libraries and other places of safe-keeping genealogical and historical records, documents, personal diaries and manuscripts, and other source material.

QUARTERLY MAGAZINE: The Texas State Genealogical Society Quarterly, STIRPES, is published each year in March, June, September, and December. It presents unpublished data on genealogical subjects. (As our ancestors were not limited to any one area, our published material is not limited to the records of Texas.)

SUBSCRIPTIONS: Non-members of the Society may subscribe to STIRPES for $6.00 per calendar year, or purchase single issues when available for $1.50 each. Members receive STIRPES without the payment of any fee other than their membership dues each calendar year, and members may purchase single issues of STIRPES, when available, for $1.25 each issue.

MEMBERSHIPS: Regular membership dues are $5.00 per calendar year. Contributing membership dues are $10.00 per calendar year. The only difference between a Regular and a Contributing Member is that the Contributing Member pays more in dues for the work of the Society. When no participation in the efforts of the Society is made, a subscription rather than a membership is in order. The Board of Directors has the privilege of approval of all applications for membership.

Individuals, libraries, societies, interested business firms, and amateur or professional genealogists may apply for membership by writing to the Society at its official address (2528 University Drive, South; Fort Worth, Texas 76109) and enclosing dues. Checks or money orders should be made payable to the TEXAS STATE GENEALOGICAL SOCIETY.

ADVERTISING RATES: Advertising rates have been established to help defray the cost of publication and postage. The following rates are now in effect for advertisements published in STIRPES:

	1 time	4 times
Full page ad	$50.00	X $45.00
1/2 page ad	$30.00	X $25.00

Advertising copy should be sent to the Editor, Mrs. Edna Perry Deckler, 2528 University Drive, South; Fort Worth, Texas 76109, with check or money order, made payable to the TEXAS STATE GENEALOGICAL SOCIETY. There is no extra charge for pictures or charts in advertisements unless they are oversized and must be reduced to fit printer's requirements for regular copy for STIRPES.

Letter to Mrs. Milam, dated January 20, 1936, from the War Dept., Adjutant General's Office, Washington:

"The records of this office show that one GEORGE HOLLAND served in the Revolutionary War as 2nd Lieutenant in Captain Moses Hawkins' Company, 14th Virginia Regiment, also designated 10th Virginia Regiment, commanded successively by Colonel Charles Lewis and Colonel William Davies. He was commissioned January 1, 1777, and was promoted to 1st Lieutenant October 4, 1777. He was transferred in December, 1777, to Captain John Winston's Company, same regiment, and the muster roll of that company for April, 1779, shows him "On Command, Georgia." His name also appears on a record under the heading: "A List of Officers of the Virginia Line on Continental Establishment who have received

certificates for the balance of their full pay agreeable to an Act of Assembly passed November session 1781" which shows that on May 8, 1783 the sum of L304, S7, D3, was received by one Col. Powell.

Heitman's HISTORICAL REGISTER OF OFFICERS OF THE CONTINENTAL ARMY, an unofficial publication entitled to credit, shows: "Holland, George (Va.) 2nd Lieutenant 14th Virginia, 10th March 1777; 1st Lieutenant, 4th October, 1777; transferred to 10th Virginia, 14th September, 1778; resigned 12th October 1779."

The collection of Revolutionary War records in this office is far from complete, and it is suggested as a possibility that additional information may be obtained from the Librarian, Virginia State Library, Richmond, Virginia, or from the Veterans Administration, Washington, D. C., which has the custody of the United States pension records.--E. T. Conley, Major General...."
